Dear Parents,

In an effort to improve efficiency and resources in our District, handbooks have been made available online at neoshosd.org, on school-provided student devices, and upon request from your school office. This form serves to acknowledge notification of Neosho Student handbooks.

Please return this signed form to the location below according to grade level:

- Neosho Early Childhood, Elementary Schools - Return to your child’s teacher
- Neosho Middle School - Return to the homeroom teacher
- Neosho Junior High - Return to the Advisory teacher
- Neosho High School - Return to PRIDE teacher
- Jefferson Street Campus - Return to the office

As parent/guardian, I understand the student handbook will be discussed with my child and that I can view the handbook on neoshosd.org or on a student device. I also understand that I can request a paper copy of the student handbook if I so choose.

Thank you for cooperation,
Neosho School District Administrative Team
