1

Create (write and/or draw) some lists: favorite toys, fruits, vegetables, furniture in your bedroom, people in your family, etc.

Think about today's weather. Is it rainy? Sunny? Draw a picture of today's weather & write about it. Think about how to dress for this kind of weather. Draw yourself in the picture.

Put some salt or sugar on a plate. Practice writing with your finger: letters, numbers, sight words, and/or your name using the Path of Movement.

Go outside and find an unusual item: cool rock, stick, flower, plant, etc. and write and/or draw about it.

Find things that start with the letter R. Choose a new letter and repeat!

2

Write and/or draw about your family.

Make puppets out of paper to retell a story you have heard or read.

Use an old magazine, newspaper, or clean food packaging to find sight words. Circle the words you find.

Make a reading fort out of things in your house: pillows, blankets, chairs. Then read a book and have a snack in your fort.

Rainbow write as many words as you can think of.

3

Practice writing your first and last name.

Sort objects by color, size, and/or shape.

Read a book and retell the story to someone in your family.

Build sight words and your name with objects in nature: grass, leaves, sticks, flowers, etc.

Write and/or draw about your favorite animal telling at least 3 facts.

4

Sit outside in the grass for 10 minutes and make a list of all the things you can see around you.

Draw a picture about your favorite toy or stuffed animal and write about it.

Have an alphabet scavenger hunt. Find an item that begins with each letter in the alphabet.

Use play-doh or shaving cream to build/write letters, high-frequency words, other words, and your name.

Use a cereal box or something similar and try to find all 26 letters in the alphabet.
