1

Read a book and then act it out.

Write a narrative story about something you did with your family.

Read a book and retell the story but change the ending.

Interview a family member about their favorite family memory. Write a retelling of the story and include as many details as possible.

Put the names of your family or 5 items from your pantry in ABC order.

2

Watch your favorite movie, then retell the story and include the characters, setting, problem and the solution. Include as many details as possible.

Use a magazine or newspaper and do a sight word scavenger hunt.

Write a letter to your grandparents.

Write a play and use sock puppets to act it out.

Read a book and write about a text to self connection or a text to text connection.

3

Go for a walk around your neighborhood or yard and make a list of all the living things you see.

Write a narrative story about your favorite thing to do outside. Use a lot of details.

Choose a noun and draw a picture of it. List 5 adjectives about the noun. Be sure to include those adjectives in your picture.

Make your own book. Make sure to include a beginning, middle and end. Also, include a title page, table of contents, cover page etc.

Read a fiction book using expression: read in an angry voice, a sad voice and then in a happy voice.

4

Write a letter to your teachers.

Build sight words out of things you find outside: sticks, leaves, rocks, etc.

Make a fort and read a book using a flashlight.

Read a non-fiction book: chart all the facts you learned from the book.

Read a book and draw a picture of the main character then make a list describing that character.
